SEEKING:

[BURTON] Male, 40s, ANY ETHNICITY. An ex-cop who now works in-house private security for a Wall Street firm. Laconic, comfortable in his own skin, observant. Detail oriented with a dry sense of humor. A physical presence. Outwardly cynical with an underlying romantic world view; longing for love and connection.
SERIES REGULAR

[TESS] Female, mid-20s to early-30s. ANY ETHNICITY. Youthful. Energetic. Fragile but with a rebel attitude. Intelligent and verbally dexterous. Intense, focused, fierce, intuitive, has a secret fear that gives her an air of darkness. Skittish around people but with a natural warmth and an underlying maternal instinct. A successful trend-spotter who herself has an unaffected style. A natural savant at her work, she has an intuitive way of tapping the "collective unconscious"...SERIES REGULAR

[TAKA] Male, 40s to 50. ASIAN AMERICAN. An NYPD special intelligence officer known for seeing conspiracies, his colleagues call him "The Hunch". His work could have hardened him, but instead he is ruffled, more than a little worse for wear. He can be tender and even optimistic but never without the burdens of his past and present. Wounded but warm. FLAWLESS AMERICAN ACCENT REQUIRED.
SERIES REGULAR

[OLIVIA] Female, late-30s to early-40s, ANY ETHNICITY. BURTON's on-again off-again lover. Has a natural elegance and an unaffected sensuality. Astute and insightful enough to go toe to toe with BURTON. Struggles with a push and pull between what she wants and what she knows she should do. 7 out of 10
SERIES REGULAR

[WOODY HAMMOND] Male, 30s to 40, ANY ETHNICITY. A brash, highly revved young trader for a Wall Street firm. His harmless exterior belies his sharp and ruthless true self. 7 out of 10 SERIES REGULAR

[BILL BOERG] Male, 40s to 50, ANY ETHNICITY. Unflappable Icelandic billionaire. Relaxed with a boyish grin. Powerful, wealthy and connected. His persuasiveness comes from his charm and intellect, but there could be more sinister manipulation at work. Driven by the desire to access others' dreams and alternate realities. 7 out of 10 SERIES REGULAR
