

Naked chick Scene 1

NAKED CHIC SIDES

Jerry talks to a naked girl on a raft.

START

JERRY

So I'm not nervous standing here talking to a naked girl, just so you know - quite the opposite.

NAKED GIRL

Then why are you telling me you're not nervous?

JERRY

Because I, uh, just wanted to make sure you were fine with being naked in front of me.

NAKED GIRL

Really?

JERRY

I mean, I've been to parties where there are naked girls before, that are super hot - like you, but...

NAKED GIRL

But what?

JERRY

Boy the temperature, uh - pretty hot in here, right?

NAKED GIRL

In here? We're outside. In the shade.

JERRY

Right, no, I mean, in here, in the shade, that's what I meant.

NAKED GIRL

So you're not nervous talking to me?

JERRY

No.

NAKED GIRL

You think your wife over there staring at us is cool with you talking to me?
