

Tracy Scene 1

TRACY SIDES

START

Tracy and Bill walk through the airport together.

TRACY

Mom and Dad miss you.

BILL

If you say so.

TRACY

They do, really. I know they sound tough on the phone but honestly - mom talks about you every day.

BILL

How boring is that?

TRACY

No kidding. Finally get rid of you and still have to hear about you? So lame.

BILL

Ha. So why are you out here, really?

TRACY

To check up on you.

BILL

Trace - you know that's bullshit.

TRACY

To see my ex-boyfriend, why do you think.

BILL

Talk about lame.

TRACY

I came to see you too. Not that I give a shit but mom and dad do.

BILL

Yeah, you said that.

They're quiet for a beat.

BILL (CONT'D)

They'd kill you if they knew you were going to see Ted.

TRACY

I know. You gonna tell them?

BILL

I might kill you if you see Ted.

TRACY

He's not that bad.

BILL

He's a cheesy stoner in a band
who's never gonna make it - you
know that, right?

TRACY

He might make it. You gotta
believe, Billy. That's why you're
here.

BILL

I'm good at what I do. I'm
realistic about what I want - Ted's
a weird looking freak with one eye,
wants to be the lead singer in a
Christian rock band.

TRACY

Judgemental much?

BILL

He's not even religious.

TRACY

There's huge money in Christian
rock, right now. All the other
shit's been done already.

BILL

You're hopeless.

TRACY

Not as hopeless as your breath. Get
some gum.

BILL

Thanks.

END
