Zoe Moon: BRANDY NORWOOD

[GEMINI] 30s, this handsome, fit African American man is a wealthy, adored celebrity, one of the most famous boxing champions in history. Gemini has a big personality -- and an ego to match. He and Zoe, his soon-to-be-ex, have been together since they were just kids, and even though he has routinely cheated on her, he's still shocked when she walks away from their marriage. The chemistry between them is still strong, and Gemini is convinced he can woo Zoe back. Meanwhile, his idea of "co-parenting" their 8 year old son, Xavier, is showering him with possessions on every visit -- a habit that Zoe deplores. He's amused by the very idea that Zoe can succeed in life without him -- but he may have a big surprise in store...SERIES REGULAR (2)

[PEARL] Mid 30s, African American, Pearl is Zoe's publicist and longtime friend, who is pushing 35 -- and not happy about it. Still single, Pearl is determined that, this year, she will get a man -- and even though her search is still ongoing, she has booked the Plaza Hotel six months from now for her wedding. Funny, quirky and just a bit outrageous, she loves Zoe, and is going to work hard to make her new cosmetic venture a great success..SERIES REGULAR (11)

[VALENTE] 20s, Zoe's assistant at the cosmetics company, he's a fabulous and colorful gay man with a scathing wit and a keen eye for the guys. He's sometimes so distracted by his personal life that he doesn't keep up with Zoe's schedule as he ought to -- but he also has a warm spot for the boss and is pulling for her cosmetics venture to succeed...SERIES REGULAR (11) PLEASE SUBMIT DIVERSE ACTORS ONLY.

[MIGUEL] 30s, This hunky Latino man is the contractor who gets hired by Gemini to rehab the infrastructure in Zoe's new building, without Zoe's knowledge or consent. So handsome he stops traffic, but oblivious to that fact, this self-made down to earth Jersey boy owns his own construction company. When Zoe tells him to get lost, he's amused, and informs her that he's not working for her, but Gemini. It appears as if he will be underfoot at Zoe's company for some time, but whether the two will ultimately warm up to one another remains to be seen...SERIES REGULAR (11)

[XAVIER] 8 years old, this young African American boy is proud of his famous papa, Gemini, and basks in Gemini's reflected glory. He's thrilled when his dad showers him with presents on every visit -- but his parents' split has affected him more than he's letting on, and he has begun acting out in school. He has big worries for such a little kid, but he's resilient -- and Zoe is a steady and stable influence who balances his fast-lane father...RECURRING (2)

[AMIR] 30s - 40s, Indian or Middle Eastern, the most passive-aggressive guy in history, he's the doorman at Zoe's high-rise, who seems to delight in keeping vital info from Zoe about her visitors. Whether he's remiss by design or from simple ineptitude is unclear -- but in any event, Zoe finds him just plain annoying...
RECURRING (1)

[COCO] Late 20s, this exotic female is Zoe's downstairs supermodel neighbor. A mysterious New York party girl, she always has something going on -- and possibly something illegal. STORY LINE: Zoe Moon has been with GEMINI MOON since they were kids, almost 20 years now. But Gemini has become the most adored boxing champ on the planet, and his increasing egotism and entitlement have sadly alienated Zoe. Tired of Gemini's philandering and emotional unavailability, Zoe finally walks away from their marriage, much to the distress of their 8 year old son, XAVIER. The chemistry between Zoe and Gemini remains strong, but Zoe's no longer content to be "invisible," and is determined to prove herself by launching her own cosmetics company.
