

KATE / YONI SCENE #1

INT BREAKROOM

End of day. KATE sits in the break room. Tired.

START

YONI

Hi Kate.

KATE

Oh hey.

YONI

How are ya?

KATE

Pretty wiped actually -

YONI

Oh yeah?

KATE

Yeah, Mrs Silverberg is pretty laid up -

YONI

Mmm. Sad. Plans for the weekend?

KATE

Nothing crazy. My sister and I may catch a movie -

YONI

Do you know where we found your time card for this week?

KATE

Huh?

YONI

Do. You. Know. Where. We. Found. Your. Time card this week.

KATE

Oh gosh where?

YONI

Cheryl found it literally buried in the basket of soiled whites.

KATE

Pffft. I musta left it in my shirt or -

(CONTINUED)

YONI

It becomes impossible to properly compensate you if your time card is improperly filed. You know this?

KATE

No I totally do.

YONI

It seems though you find it all funny.

KATE

No I'm just remembering taking my staff shirt off this morning to bathe Mrs. Silverberg so it must have slid out -

YONI

Why must you remove your staff shirt?

KATE

Just so it doesn't get wet I guess.

YONI

They can get wet.

KATE

Yeah I know. But it's just - I dunno - I've never thought why - it's kinda nice to cool off in those rooms anyway.

YONI spots a staff shirt on the counter. Grabs it.

YONI

Wet this shirt.

KATE

What?

YONI turns on the sink.

YONI

Run that under this water.

KATE

Yoni I get it. I don't feel like -

YONI

They get wet, Kate.

YONI holds the shirt under the faucet. Maintains eye contact with KATE as it soaks.

YONI
You'll be paid late this week.

YONI dumps the sopping shirt into the sink. As he leaves -

YONI
Clean that up please. And have a
great weekend!

Kate cleans it up.

END

SCENE #2

INT. HALLWAY

KATE and YONI stand hidden-ish in the hallway observing Mark.

START

KATE

He hasn't been hearing that well recently.

YONI

Right. I've noticed.

KATE

I asked how his kids were and he - he thought I said something different.

YONI

What did he think you said?

KATE

He thought I asked if his pits hurt. Then he lifted up his shirt and showed his underarms. All torn up. Like from scratching. All the hair ripped out.

YONI

All of it?

KATE

There were some little strands left I guess. But most of it. Poor guy.

YONI

How much water have you been giving him?

KATE

Normal. He goes through maybe a pitcher a day.

YONI

Keep much better track please.

KATE

Of how much water he drinks?

YONI

That. And everything.

Suddenly real friendly -

(CONTINUED)

YONI

Hey would you wanna grab dinner
some night this week after work? Go
to Chi Chi's or something at the
mall?

KATE

Me and you?

YONI

Yeah dummy! Unless you wanna invite
Michelle but a) nah and b) I feel
like you guys have tension.

KATE

Me and Michelle have tension?

YONI

You tell me I don't know. What
about Thursday night? Grab a round
of Dance Dance Revolution at the
place near the food.

KATE

Um. Okay sure.

YONI

Good. Very good.

Yoni snaps back to spying.

YONI

Bring him to bed now please.

KATE

It's only 7:30.

YONI

Now please.

KATE

It's hard to imagine you playing
Dance Dance -

YONI

Now.

She goes.

END
