[FRANCHI] Late 20s - early 30s. EAST INDIAN Todd and Fogel's buddy from college. He's a hard-core bro who loves wearing Mets jerseys and never talking about his feelings. He got married to Hillary four years ago -- a choice which utterly confounded Todd -- and loves being a husband. He thinks his buddies are idiots but loves them just the same, often getting pulled into their wackadoodle schemes. Series Regular

[HILLARY] Late 20s. EAST INDIAN Hillary is Franchi's wife, a beautiful, tough-minded woman from Boston who loves wearing Red Sox jerseys and messing with Todd and Fogel. She's more of a man than any of the dudes on this show. Series Regular
