Her engagement is going to be tested as she struggles with an attraction to D.S. Bruno. Olivia loves her sister very much - and she is always there to pick up the pieces when Grace gets into trouble. However, she is stunned when Grace becomes a murder suspect. She drops everything and goes to London, convinced of her sister's innocence. She secures counsel for Grace - and stays on in London. Olivia is also haunted by something in her past - and she has a mysterious deep scar that runs the length of her arm. Olivia is going to be confronted with two harsh questions throughout her journey: Whether her little sister, Grace, murdered her friend? And how far Olivia is willing to go to keep Grace out of jail?...SERIES REGULAR (2). SUBMIT ALL ETHNICITIES.
