[OPHELIA MAYER] 21 years old, a student at South State University, Ophelia is a petite trust fund anarchist. Ophelia works at a vintage record store and deals weed on the side; as a result, she and the head of campus security have a cat-and-mouse relationship. Sarcastic and witty; Ophelia has a bite to her, but she's not mean-spirited. Ophelia is a self-proclaimed outcast who tends to cure her boredom by causing trouble. Although Ophelia puts up a tough front, deep down she's a vulnerable girl that never really fit in. Armed with a genius IQ and Dragon-Tattoo-level computer hacking skills, Ophelia is immediately intoxicated with the idea of campus vigilante Jules Thomas, and becomes hell-bent on getting in on the action...**STRONG COMEDY A MUST**. SERIES REGULAR (1)

[JULIAN "JULES" THOMAS] 20 years old, Jules has a strong, lean frame. There's an innocence to her beauty; she's not overdone, like so many hot girls today -- she's effortless, like a girl from a famous photograph of Woodstock 1969. A sorority girl at South State University, Jules was sexually assaulted during her sophomore year by her best friend's boyfriend. After the administration turned Jules away, she spent her summer vacation training in everything from Krav Maga to knife throwing. Jules lives with the secret of her assault, creating a Clark Kent/Superman lifestyle for herself: sweet sorority girl by day, ass kicking vigilante by night. In an effort not to expose her extra-curricular activities, Jules must balance the awkward, innocent girl she once was with the ferociously strong huntress she has become. Jules gets an unexpected complication in her already-complicated life when Ophelia shows up and insists on becoming her unwanted sidekick...**STRONG COMEDY A MUST**- SERIES REGULAR (2)

[KENNEDY CONNORS] 21 years old, beautiful and driven, she is the President of the best sorority at South State University. Kennedy is the kind of girl who can balance a high GPA and a high BAC. A social leader, Kennedy definitely has a magnetic cool-factor, but she's no mean girl. She's been dating campus king Dylan Davis for the last three years, but she still puts effort and energy into arranging mixers for her sorority sisters. Kennedy would do anything for her sisters, especially her best friend Jules. She has no idea about Jules's "extracurricular activities" -- but she has noticed her friend pulling away from her. **STRONG COMEDY A MUST**...SERIES REGULAR (6)

[TYLER FINN] 21 years old, tall and skinny with boyish good looks, Tyler has a devilish smile and so much charm it's downright rude. An art major who creates small installations around campus, Tyler is very different from the guys Jules is used to hanging around. He's intellectual, with a love of David Foster Wallace and Manga Anime films. Tyler has noticed Jules around campus reading his favorite book and is excited to find her at the Tri Delt party. The two become a pair of twisted star-crossed lovers when it is revealed that the dead body in Ophelia's trunk is Tyler's step brother... SERIES REGULAR (12)

[DYLAN DAVIS] 21 years old, all-star and all-American, Dylan is Kennedy's steady boyfriend, and he carries himself like he comes from old money -- mostly because he does. Jules is uncomfortable around him because he sexually assaulted her in the past; a secret no one, not even Kennedy, knows anything about. A wolf in sheep's clothing, Dylan may appear to be the nicest, coolest kid on campus, but when he's alone with Jules the wolf comes out to play...HEAVY RECURRING ROLE (11)

[MIKEY BARTON] 28 years old, a man with South State University's campus security, Barton is the Road

Runner to Ophelia's Wile E. Coyote. A tough-minded campus cop, Barton has a soft spot for Ophelia. Barton has hauled Ophelia in for a variety of infractions, but her quick wit and street smarts have allowed her to evade the rap time and again. **STRONG COMEDY A MUST...RECURRING ROLE** (1)

[HARRIS] 23 years old, male, Harris is devastatingly cute, with a killer iTunes song library and knowledge of New Wave cinema -- he's a total hipster heartthrob. A law student at the University who works in the record store with Ophelia, Harris has a quick wit and sunny outlook on life. Always the hopeful optimist, Harris is a good guy through and through. The object of Ophelia's affection, they have an unspoken attraction, despite their very different personalities. **STRONG COMEDY A MUST..SERIES REGULAR** (8)

[FIONA] 19 years old, naive and sweet, an Ellie Kemper type, she is another member of the Tri Delt sorority. Although she's not the sharpest tool in the shed, Fiona is fiercely loyal to her sisters. **STRONG COMEDY A MUST...8 lines, 3 scenes** (6) **RECURRING**

[CARTER FISCHER] A former South State big-man-on-campus, Carter was an entitled athlete who felt he was entitled to whatever he wanted...including girls on campus. Carter has sexually assaulted and beat up multiple girls, but due to his stature on the baseball team, he was never held accountable for his crimes. After blowing out his knee, Carter left school to work at his father's garage right outside the college campus. Smug and entitled, what makes Carter so scary is how completely average he looks in comparison to the violent crimes he has committed. When he is attacked by Jules, Carter uses his whole strength to defend himself, ultimately landing him in his grave...3 lines, 2 scenes (19)

[MADISON STEELE] 20 years old, another Tri Delt sorority sister, Madison is a feisty redhead who masks her monster insecurities by being a (hilarious) total bitch. A former chubby girl, Madison had a 360-degree makeover before coming to college. Obsessed with being Kennedy's lady-in-waiting, Madison has wanted to become the President of Tri Delt since her first day at South State. Madison views Jules as the only thing standing between her and this dream. An adversary to our heroine, Madison has been keeping a very close eye on Jules, waiting in the wings for her to slip up so she can solidify her place at the top... 1 speech & 3 lines, 2 scenes (7) **HEAVY RECURRING ROLE**

[GABY] 19 years old, an enthusiastic Asian girl, she is another member of the Tri Delt sorority. **STRONG COMEDY A MUST...4 lines, 2 scenes** (6) **RECURRING**

[COCO] A very intoxicated party girl at the Tri Delt sorority party, Coco is trying to relieve herself unseen outside when Ophelia runs into (and almost over) her...4 lines, 2 scenes (14)

[TOMMY] A boy in an alley, wearing a Kappa Psi sweatshirt, infamous for having date raped one of Ophelia's dorm-mates, he is beaten halfway to unconsciousness by Jules, and Ophelia shows up and helps finish the job...1 line, 1 scene (2)

[LUKE] 19 years old, Dylan's frat buddy (think Donald Glover), he wears a Lambda Nu sweatshirt and a backwards hat.. He accompanies Dylan to the Tri Delt party, and reveals himself to be one of Ophelia's weed buyers..1 line, 1 scene (11)

[NEWS REPORTER] This news reporter is seen on an archival video, reporting on the accusations of rape that have been leveled at Carter Fischer...1 speech & 1 line, 1 scene (18)

STORY LINE: Princeton University student **OPHELIA MAYER** is an edgy, hip young trouble magnet: she works in a vintage record store, sells weed on the side, and is on a first-name basis with Campus Security. **JULES** is a member of the posh, socially connected Tri Delt sorority -- but she has a secret identity as a masked superheroine who dishes out rough justice to campus rapists. When Ophelia learns all about Jules and her clandestine operation, she insists on playing Batgirl to -- well, to Batgirl...
