JAKE

Hey, Pat. Happy Monday.

SICK PAT

Not really. My aunt's cat has a gum infection.

JAKE

I was just makin' small talk, man.

SICK PAT

Right, right. How was your weekend?

JAKE

It was fun. I went to that new bar-

SICK PAT

No way, can't do bars. Those places are cesspools.

JAKE

Oh, well, the new one on Sunset was pretty fun.

JAKE CLEARS HIS THROAT.

SICK PAT

Whoa, you're sick?

PAT PUTS A HANKERCHEIF OVER HIS MOUTH.

JAKE

No man, I was just clearing my throat. Mostly because you were making me uncomfortable.

SICK PAT

Don't come any closer.

JAKE

Okay.

SICK PAT

A little hand sanitizer goes a long way. And a lot, well that goes ALL the way. And the most, well that goes even farther still.

JAKE

You already said it went all the way.
PAT PUTS PURELL ON HIS HANDS. THEN HIS FACE.

SICK PAT

Here, give me your jaw.
PAT GOES TO PUT HAND SANITIZER ON JAKE'S FACE.

JAKE

Ok, that's good, I'm good. Hey, we have a meeting in the- wow your nose is bleeding.

SICK PAT

Of course it is. Which nostril?

JAKE

Both.

SICK PAT

Knew it. It's always both.
