The bell rings. Courtney jumps up and heads to the door.

DAKOTA
Where are you going?

COURTNEY
(whispers)
Class.

Andi, Dakota, and Imogen all look at each other flabbergasted. Courtney backs out the door.

ANDI
I'd ask, but I've had enough this morning.

Imogen is picking up the jelly beans.

DAKOTA
Imogen, no!

She drops them and the gang exits the Blair Lair.

Alec puts his hand on Courtney. She tenses up. He removes it. The normally handsy couple is being frigid and awkward.

> ALEC (CONT'D)

Look, I'm not happy about this either. We need to just say it. Out loud.

COURTNEY

I can't. I won't. Please go.

> ALEC

Fine. I'll say it. Last night we, I, slipped. Into your butthole.

Courtney slaps her hands to cover her face and makes a muffled cry sound.

> ALEC (CONT'D)

(panicked)

It was dark! You were lubed up! I didn't know where I was going!

COURTNEY

I'm late for ass - class! Get out!

Courtney uses her feet to shove Alec out of her car. She zooms away.

COURTNEY (CONT'D)

(calling out)

Love you!

Alec rubs his neck like Gosling, and walks towards the school.

INT. ART CLASS - LATER

Andi, trying to follow the rubric, is looking around baffled. She slops paint onto her canvas. Josh enters, pretending not to see Andi. Andi catches him before he makes his way to the darkroom, which is attached to the back of the classroom.

ANDI

Oh hi, Josh! Remember me? Probably not, since you left me at my house this morning!

JOSH

Oh yeah. Sorry about that. Musta slipped my mind.

Josh tries to get by. Andi blocks him.

ANDI

Well, I'm painting a girl whose cunthole brother guards her labia, who had to walk to school, making her sweat through her panty liner because her brothers fucktard friend, ditched her!

Ms. Biro takes it in.

MS. BIRO

Mmm. I see, but maybe we can steer ourselves back to the pear painting that you're supposed to be working on, yes?

She gestures to the board where a large picture of two yellow pears sit in a spot light. Andi looks back towards the darkroom and continues to angrily slash her canvas.

EXT. BLAIR FOOTBALL FIELD - LATER

Josh and Alec are in gym class attire, throwing a football back and forth. GREER, a hot cheerleader, is stretching provocatively nearby. Alec, distracted by her stretches, hits Josh in the face with the football.

JOSH

Dude! Your aim is weak.

> ALEC

Oh I'm sorry. I must have been distracted by the cheerleader doing the splits while eye fucking the shit out of you.

Josh throws the football and a distracted Alec gets hit in the face.

JOSH

Come on, man. I'm playing by myself over here.

> ALEC

Dude!

Alec points to Greer who is looking at Josh between her legs. She waves at Josh.

> ALEC (CONT'D)

Why aren't you fucking her, man? She's asking for it. Literally. I think's mouthing it.

JOSH
 Yeah, she's hot.
 (then)
 So, you hanging with Courtney
 tonight?

Alec misses the football at the mention of Courtney's name.

> ALEC
 Why are you asking about Courtney?
 Did she say something? Because
 she's probably all hormoned up,
 exaggerating'n shit. You know how
 it goes. I don't know what she's
 talking about lately!

JOSH
 I didn't talk to her. Dude, you
 good? You're being kinda twitchy.

> ALEC
 Naw, I'm good. For sure. I just
 think I'm on chick overload lately.
 Between Courtney, Andi, my mom, I
 just need a break.
 (realizing)
 Oh shit! That's right, my mom's out
 of town. You should come over
 tonight and we can test out the new
 Call of Duty! Boys night.

JOSH
 Won't Andi be there?

> ALEC
 What? I don't know. Who gives a
 shit? I'll lock her in her room or
 she can sleep out at our Mormon
 neighbors.

Josh seems relieved.

JOSH
 Cool. Let's do it. I'll make my
 brother get us a sixer and I'll met
 you at your place.
 (then)
 Alec?

Alec stares at Greer who is pouring water onto her body. Josh
 spots Alec's erection through his sweats.

JOSH (CONT'D)
 Gross, dude.

JOSH
Jesus, Alec. Have you gone to class
at all today?

> ALEC
What are you talking about, dude?
Half of these are FROM class.

JOSH
Of course.

> ALEC
We did it in the wrestling room,
the swimming pool, the attendance
office -

JOSH
Dorothy?

> ALEC
She just sat there. I feel like she
liked it.
(then)
How many have you scored?

JOSH
Um, like technically less than you,
probably.

> ALEC
For fucks sake, Josh! How can you
not have a demerit? You're a
senior. You're on the football
team. You're a good looking guy.

JOSH
Thanks, man.

> ALEC
Yeah, bro.
(then)
I don't get what's going on with
you, man. You haven't hooked up
with anyone this year. The only
chick I've seen you hang out with
is -

Andi approaches.

ANDI
Hey guys! Josh, we still good for
lunch?

FOUR SOME

> ALEC

SEE! This is exactly what I am talking about. You only hang out with my sister.

ANDI

What are you guys talking -

> ALEC

WAIT A MINUTE!

Andi and Josh both freeze, holding their breath.

> ALEC (CONT'D)

Do you have a crush on my Mormon neighbor, Imogrid, and are trying to get with her through Andi?

Andi and Josh both visibly relax.

JOSH

(laughing)

What? Imogen? Ha, no way! What?

> ALEC

Then why aren't you getting it with someone?

Josh starts to panic and from his POV - **CLOSE UP:** Alec's angry face. **CLOSE UP:** Demerits all over Alec's locker. **CLOSE UP:** Andi with the sunlight hitting her hair, making her look glowy and gorg.

When we pull back, Josh is still panicking. He now notices a confused Alec looking between he and Andi. Before Alec can make an assumption, Josh spots Greer at her locker, making it clear what he must do.

JOSH

I am. Getting it with someone! I have a date to lunch today.

Andi chokes. She looks at Josh in disbelief. Is he talking about her? Is he going to tell her brother? Andi is so busy with her inner monologue that she doesn't notice that Josh has walked off in Greer's direction. Alec snaps her out of it.

> ALEC

Oh shit! He's doing it!

Andi looks for the source of Alec's proclamation and spots Josh and Greer at Greer's locker. Greer seems ecstatic.

ANDI
Wait, what? What's happening?

>ALEC
Josh is finally manning up! Nice.

ANDI
(malfunctioning)
Greer? Josh? They, them! But. He.

>ALEC
I know. She's torched. So hot.

Andi is in shock as she watches Greer all over Josh. Alec notices. He takes his hand and covers her face.

>ALEC (CONT'D)
R-rated, baby sister. Run along.

Alec exits with pep in his step. He high fives Josh, leaving Andi shell shocked with fucked hair from Alec's face hold.

INT. BLAIR LAIR - LATER

Andi enters the Blair Lair. It's a ghost town. SEXY MUSIC plays. Pink Demerits everywhere. Andi picks up Courtney's bra with a pencil and flings it. Andi STOPS THE MUSIC from a playlist reading: *Dakota's Do Me Diddies*. She walks past a desk with a ton of lip glosses spread out.

ANDI
Imogen.

She shakes her head in disbelief and collapses. Dakota and Courtney enter talking, not noticing Andi.

COURTNEY
I'm up to 27.

Dakota grabs one of her Demerits and reads it.

DAKOTA
This ones just for flashing your tits. Doesn't count.

Dakota rips it up. Dakota and Courtney stop short when they notice Andi sitting in silence.

COURTNEY
Hey! What's up girlfrie -
