**[ANDI]** A confident, effortlessly pretty, high school sophomore that's dying to shed her "little sister" image. She's the girl next door, and while she speaks her mind, is never bitchy. Andi's the glue that holds the Foursome together. Andi owns her awkwardness and thinks most flaws are a part of her charm. When other people don't see that, she tends to go off on a tangent. Andi would love to get a cute boyfriend, but ever since their dad left, her older brother Alec has been so overly protective that no boy will dare to come near her. With a little help from her friends, Andi is determined to get out of the "sister-zone" and score some dates -- starting with the sexy Josh, Alec's best friend and her long-time crush. Unfortunately, the hare-brained schemes Andi concocts with her "Foursome" of friends meet with predictable disaster at every turn...SERIES REGULAR/NO EXCLUSIVITY (1) Please submit over 18 to play high school.

**[IMOGEN]** Imogen, once homeschooled, is experiencing public school for the first time. She's a naive, gullible, soft spoken weirdo who loves french braids and high buttoned shirts. Imogen's Andi's neighbor and relies on her BFF to help her navigate through the confusing mess of high school. Being the least experienced member of the group doesn't deter her. Imogen stays positive through most situations. As naive as they come, Imogen has learned everything she knows about sex from '90s movies -- and she persuades Andi to reenact a teen romance plot in order to score a boyfriend...SERIES REGULAR/ NO EXCLUSIVITY (4) Please submit over 18 to play high school.

**[DAKOTA]** This out and proud young gay man is the type of person you want to like you, even if you don't like him. He is effortlessly cool and devastatingly handsome. While same sex oriented, Dakota fits into no stereotype. He hates doing what's expected and his biting, quick witted nature can sometimes come across as aggressive. He has little patience for emotions, unless dealing with Andi. She's his soft spot. He has a scathing sense of humor and doesn't suffer fools gladly, especially Courtney, Alec's girlfriend, who hangs out with their group. Dakota schemes to help Andi escape the "sister-zone" and find a man...SERIES REGULAR/NO EXCLUSIVITY (3) Please submit over 18 to play high school.

**[COURTNEY]** Courtney is the kind of beautiful you think only exists in Abercrombie and Fitch catalogs. Courtney was made for high school, which makes being a college freshman kind of a bummer. She attends UCLA but is afraid of being a "small fish" so she hangs around her old high school with the gang. Courtney is dating Andi's brother, Alec. Her biggest fear is becoming irrelevant. While Courtney's shallow, she's never been a mean girl and has a big, slutty, heart. A bit too bone-headed to realize that Alec routinely cheats on her, Courtney concocts a "fool-proof" scheme to get Andi out of the "sister-zone" and into a relationship -- but her plan meets with predictable disaster...SERIES REGULAR/NO EXCLUSIVITY (2) Please submit over 18 to play high school.

**[ALEC]** Andi's big brother, Alec was born a frat guy, using the words dude and bro to articulate his "deepest" thoughts. He's a mega babe and plays ALL the sports. He's wildly over protective of his little sister Andi, less out of care for her and more out of exerting his power. He's dating Courtney, whom he has an affinity for groping in public. He's the most popular and influential boy in the school, a top jock whose word is law. And Alec's law is that no boy should ever dare come within ten feet of his little sister. Ever since their dad left the family, Alec has driven off all of Andi's potential dates, placing her firmly in the "sister-zone." As for his own

conduct, Alec is a world-class womanizer whose torrid relationship with his girlfriend, Courtney, is not exclusive, to say the least -- a double standard that is driving Andi nuts...SERIES REGULAR/NO EXCLUSIVITY (1) Please submit over 18 to play high school.

[JOSH] Alec's best friend and sports buddy. While he's a part of the Letterman jacket society, Josh has a deeper side. He's into photography and doesn't use grunts to communicate. Josh has known Andi since she's in diapers so he looks out for her in a less douchey way than his bud Alec. Josh has a kind face and adorable sensitivity about him. It makes the times when he tries to fit in with his brosef brigade, obvious. He treats Andi like a little sister and is completely unaware that she has a huge crush on him. But Josh has his head turned when he sees a graphic picture of Andi that convinces him that Alec's "little sister" is not so little anymore. However, if he acts on his growing attraction, he will certainly incur the wrath of her overly protective bro..SERIES REGULAR/NO EXCLUSIVITY (2) Please submit over 18 to play high school.

STORY LINE: ANDI is a high school sophomore whose uber-popular older jock brother, ALEC, is so overly protective that she has become strictly off-limits to every boy in school. With a little help from her friends, Andi is determined to get out of the "sister-zone" -- but her various schemes meet with disaster at every turn...
